

## PE and sport premium for primary schools

2014-15

Funding allocation: £7,900

PE and sport premium for primary schools	Description	Impact	Budget Allocation
Dodge Football tournament	Deaf children from all over North London, including BN child, took part in this game. Players on two teams try and throw soft balls at each other, while avoid being hit at the same time.	Opportunities to learn a new game and skills. Encouraged team work. Opportunities to meet other deaf children from different schools. Create new links with other provisions.	Minibus costs - £4,000
Horse-riding (weekly sessions)	2 children with physical / sensory needs benefit from weekly horse riding sessions (these include sessions on caring for the horses). The sessions form part of a care plan created by our Occupational Therapist and Physiotherapist.	Improvement in posture; core strength; self-confidence; respect for animals; Children learn about the importance of caring for animals	£1300 + Minibus costs (see above)
Horse-riding (whole school)	Each child in the school has the opportunity to go for a session (30 minutes riding, 30 minutes caring for the horse)	This is a new experience for most of our children. Develops new skills, self-confidence; respect for animals; Children learn about the importance of caring for animals	£1000 + Minibus costs (see above)
Panathlon Deaf Boccia	Boccia is a game similar to bowls. The event is designed for children with disabilities including physical needs, hearing loss and visual impairment. Children from all over Haringey took part	Opportunities to learn a new game and skills. Encouraged team work. Opportunities to meet other children from different schools. Create new links with other provisions.	Minibus costs (see above)

Deaf Panathon competition	A different range of sporting activities including Boccia, Polybat and table cricket, specifically designed for children with a range of disabilities.	Opportunities to further develop skills in these areas. Encouraged team work. Opportunities to meet other children from different schools / encourage communication between deaf and hearing. Further develop links with other provisions. Raise awareness of other disabilities.	Minibus costs (see above)
KS2 Football sessions	Weekly football sessions at lunch time for KS2 children. Led by Deaf football coach.	Focused sessions on football skills / rules of the game. Opportunities for matches. Deaf male role model leading session. Good for children's deaf identity / self-esteem.	£500
Athletics Tournament	One child from Year 5 represented the school at an after-school athletics tournament	Develop skills in athletics Competition with children from other schools. Opportunities to develop communication skills between deaf and hearing. Strengthen partnership between BN and mainstream partner school.	£100 + Minibus costs (see above)
