

Blanche Nevile School Newsletter
10th March 2017
Secondary Department
(in partnership with Fortismere School)

Dear Parents and Carers,

We have had a lot of math challenge recently. Last week Ms Antoniewicz and Mr Drew presented an exciting assembly to challenge our mathematical skills. Everybody joined in the quiz and many got most of the questions right, if not all! It's really important to remember the need for daily practice of maths at home. Please help us by making sure that your child logs onto IXL or MyMaths every day. It really helps.

What are you doing today?

Very well done to Luul, Michel and Sabawoon on making a book for Blanche Nevile library students.

We will be able to see them all in action and we know you will enjoy!

Kind regards,
Veronica Held
Headteacher

World Water Day – 22nd March 2017

Nothing is more important than clean water and as a school we are supporting World Water Day on 22nd March. We had an assembly last week to explain to students why clean water is essential to life and well-being. All staff and students support this important day and we are asking the school community to wear something blue on 22nd March and bring £1 or £2 for our charity collection.

Swimming Event – 22nd February 2017

On 22nd February we took part in a swimming event at Stratford Olympic pool.

Well done Haytham, Jaida, Aodhan, Brady, Michel, Roumy and Luul for taking part in the event and for working as part of a fantastic team!

Blanche Nevile School is very proud of you all!

We look forward to the next swimming competition.
Mr Demirci

Pancake Day

The pupils really have enjoyed having their pancakes for lunch with variety fillings, such as melted chocolate and banana, and traditional lemon and sugar! We look forward to making more next year!

Ms Atkinson

Harrow College Visit

All of Year 11, plus Brady, went to a very special Deaf Day at Harrow College on 1st March. We had a long journey there as the Northern Line wasn't working! We had presentations from the deaf students already there, and we knew many of them as former Blanche Nevile students. Some are off to university in September. The CSW team gave a presentation about life at college then we all had a pizza lunch. After that we had a guided tour of the college. Our tour guide was a former student, Yaseen - he plans to go to university this September. The day was finished off with team games.

Thank you to Mr Er and Ms Bissell for their support. Thank you to Brady's mum and Shayan's mum for their support for the day too.

Our students were brilliant and had a great time learning about life at college.

Ms Daly

Jack Petchey Award

Fatima won the Jack Petchey Award in Autumn term 2016. She decided to spend her money on activities for the school.

There is something for everyone and can be used in class, Vertical Tutoring, lunchtimes and after school clubs. We got basket balls, Lego, indoor games, outdoor games and a football pump. Okan is delighted with the new school electric pump. He will never need to go looking round Fortismere for a pump ever again!

Thank you Fatima for your kindness and thank you to Jack Petchey for his support for young people.

Ms Daly

Important Reminders

Free School Meals Renewals

If your circumstances have not changed you can now renew your FSM application by telephone (unless your child is moving from year 6 to year 7). If your child is not eligible for FSM, or you have not yet renewed your application, you will need to sign up to ParentMail to activate a cashless account, or send your child into school with a packed lunch. To renew, call.....

020 8489 1000 (9am-5pm) - have your National Insurance number & Date of Birth details ready

Glue sticks

Please can parents/carers ensure your child has glue for their homework. Thank you.

Checking Homework

Please help us support your child's independent study skills by checking the homework diary once a week and signing it. Please do use the space on the weekly page to let us know if you have any queries about your child's work.
