Dear Parents and Carers,

Last week's assembly was about the Laptop and child safety.

**Laptops:**

We now have new laptops; the pupils must take care of the laptops when using them! When a pupil wants to print, they have to press print once. Do not click print multiple times. If nothing is printing check with a member of staff.

Laptops must be logged out then shut down before closing the laptop. Please return the laptop back to the charging trolley with care.

**Child safety:**

There have been a lot of incidents around different schools about stranger trying to lure or take children away. I showed a video clip of a stranger taking a child away. It is important for a child not to accept or talk to a stranger, no matter if they are nice people or they are a friend of Mum or Dad. Pupils must walk away and report to either Parent or Teacher

**Tea and Cake at Ms Helds House**

On the 2<sup>nd</sup> May 7a went to visit Ms Held for tea and cake. The students enjoyed themselves a lot and got to meet Smudge the cat. Thank you for such a lovely visit Ms Held. Blanche Nevile will be making a book about this visit to go in Blanche Nevile library. Thank you to Ms McNally and Ms Ruparelia for accompanying 7a on the visit.
