

Dear Parents, Carers and Pupils,

Welcome back to school and a special welcome to our new staff and pupils! I hope you enjoyed the summer holidays and are looking forward to the year ahead as much as I am. I am delighted to be the Headteacher of Blanche Nevile School. Having been involved with the school since April 2016, I have met many parents and carers already. If we haven't met yet, please contact the school office and arrange to pop in to see me. This is a brief newsletter to share key information promptly. The next newsletter will come to you on Friday 20th September so do look out for it.

	Primary	Secondary
