Group C had their first home cooking lesson for this academic year and enjoyed making delicious apple and berry pie. We practiced our skills in chopping, peeling, boiling, beating, rolling and shaping! Everyone agreed the pie tasted delicious!

****Please don't forget to pay the home cooking contribution money so we can keep cooking! ****

Maths News!

Please remind your child to use the two *fantastic* and *free* online maths programmes:

mymaths.co.uk

ixlmaths.com

These programmes give your child the chance to improve their maths skills.

They have their own usernames and passwords and areas to work on.

Please *encourage* your child to spend time on these programmes at home.

It will really help them progress in maths.

Many thanks!

Miss Daly Writes:

Well done to all our former students who gained a good set of exams and qualifications. They are all happily settled in their new colleges.

Hafizul is in the Sixth form at Richard Cloudesley School in Islington. He is continuing to develop his independence and life skills.

Brady and Mo are at Harrow doing a plumbing course. What a valuable skill to have. We always need a good plumber!

Jessica is doing Animal Care at Capel Manor College in Enfield. She has always loved animals.

Jay is there too doing a Horticultural course in view of doing an apprenticeship in Sports Ground Maintenance. I think he wants to look after Manchester United's pitch in the future! Well done all of you. We are very proud of your achievements.
